

How to register for UPI on your SVC Bank Account:

- **Step 1**
Installation: Install any UPI Application on your phone, like BHIM, Google Pay, PhonePe etc.
- **Step 2**
Select your Bank select 'SVC Co-operative Bank' from the list of Banks displayed
- **Step 3**
Verify Mobile Number with your Bank: This step verifies the mobile number registered with SVC Bank. Make sure that the number is linked to your Bank Account and that the SIM is on your device
- **Step 4**
Verify your Account: Your account linked to the registered mobile number will get displayed for registration to UPI.
- **Step 5**
Verify your Debit Card: Enter last 6 digits of your Debit Card number and its Expiry date in MM/YY format. Enter 4 digit ATM PIN when prompted
- **Step 6**
Create a UPI PIN: Set a 4 digit UPI PIN and you are good to go. This PIN will be unique to your SVC Bank Account on UPI App and you will be prompted to enter this PIN for authentication of every transaction.

Advantages of UPI:

- It is a fast, hassle-free and the cheapest way of money transfer, which you can do from anywhere and at anytime.
- Works on Immediate Payment Service, available 24x7
- One does not need to share, store, or remember any sensitive information related to the account
- Gives access to a range of offers on leading brands
- Comprehensive payment interface that can be used for shopping online, making fund transfers and paying utility bills
